

You are invited to attend the ...

Green Team Student Summit

Oct. 5th

Interested in taking your school's green initiatives beyond recycling? Find out how!

Get ideas and hands on experience to bring fun, meaningful initiatives to your school that make both economical and environmental sense for our schools, families, and communities!

DETAILS:

- Sunday, Oct. 5th
- 9:00am - 4:00
- At Heritage Park in Farmington Hills

TARGETED PARTICIPANTS:

- 5th to 12th grade students interested in greening your school
- Staff, parent & community volunteers

PRE-REGISTRATION (required): [CLICK HERE](#)

MORE INFO: www.PeaceLoveAndPlanet.org

This is an exciting opportunity to collaborate and inspire eco-friendly actions throughout the district. The summit will provide various environmentally themed activities that educate and empower students to implement projects at their respective schools. The goal is to strengthen camaraderie among teams, build leadership opportunities and share "best practices" in order to nurture a culture of environmentally responsible young adults.
